TALKERS | January 24, 2012

Southern California Radio Host LaFern Cusack and Partners Take “Broad Topics” Program to TV. LaFern Cusack is well known in Southern California for her weekly program on **ESPN O&O KSPN**, Los Angeles and **Radio Disney’s** “Playground.” She and co-hosts **Laura Nickerson** and **Lauren Kelley** have also been producing and hosting the internet radio show “Broad Topics” since 2008. Now, the trio is bringing the program to local television via cable TV in Santa Monica through a partnership that has been made possible by the Commission on the Status of Women in an effort to bring the woman’s voice to current issues. The program was the brainchild of Nickerson who says she wanted “to create a forum for honest discussion of what’s going on in the world from an actual woman’s perspective. Aren’t we all sick of the male media voice telling us all what to think? Besides that, my kids were sick to death of hearing me go on about social policy during ‘Sesame Street.’” Taping of the show will begin in late March.
